

2012 United States Election Results by State

Directions: Use the following information to complete your electorate map. Then do the following for each state.

1. Write the name of each state
2. Write how many electorates each state is worth
3. Color each state one color if Romney won the state and another color if Obama won

If the state is too small, include the information on the side and draw a line connecting the information to the state.
